Dear Mr. Colby:

The Washington Chapter of the Association of Government Accountants is announcing its 17th Annual Awards Program for Outstanding Achievement in the Improvement of Financial Management in Government Service. Through this awards program, our Chapter of the AGA, a professional organization, seeks to stimulate interest in Government service.

It is a pleasure for me to be in a position to again request your organization's cooperation in identifying Government employees who have made outstanding contributions during Calendar Year 1975 and we welcome nominations from your agency. The nominations should be sent to Sam Pines, Chairman, Awards Committee, Washington Chapter, Association of Government Accountants, Post Office Box 423, Washington, D.C. 20044. Your existing awards program may be used, of course, in making nominations for these awards. The awards will be presented publicly at the regular meeting of the AGA of Washington, May 13, 1976.

Nominations are due by January 31, 1976, and late submissions will be considered by the Awards Committee only if extenuating circumstances in the judgment of the committee caused excusable delay. Brochures which describe the program and set forth criteria for nominations are enclosed. It is requested that these brochures be given the widest possible dissemination in your organization. Any questions concerning the program may be sent to the above address or discussed with Mr. Pines (275-5801).

The cooperation we have received in the past from your office is appreciated, and we look forward to receiving those nominations which you feel qualify for the described awards.

Sincerely yours,

Joseph J. Donlon
